Lucknow, India

EXPERIENCE

Web Developer & Designer   Jun '24 — Jul '25

Edu-Visor   Delhi, India

- Designed and developed responsive web applications and websites for multiple clients, ensuring optimized performance, cross-browser compatibility, and mobile-first design.
- Collaborated with cross-functional teams to build and deliver high-performance, SEO-optimized web pages with fast load times and improved user engagement.

PROJECTS

National Healthcare Providers Registry Link

- **NHPR (National Healthcare Professional Registry)** is a digital platform designed to bridge the gap between patients, doctors, and healthcare facilities.
- Its core goal is to **digitize healthcare and simplify access** to quality services.
- One of the key features of NHPR is its **verified database of healthcare professionals**, ensuring that patients connect only with trusted and authentic providers.

Business Over Brunch Link

- **BOB (Business Oriented Bridge)** is a networking platform group started by women entrepreneurs. Its main goal is to **support and connect women in business.**
- BOB helps women entrepreneurs by creating opportunities for **learning, collaboration, and mentorship**, so they can overcome challenges and find new business opportunities.
- Through community events and workshops, it **empowers women to support, and inspire** each other.

EDRISE GLOBAL SOLUTIONS Link

- **EDRISE GLOBAL SOLUTIONS** is a privately owned IT support and services company that helps businesses use technology in smarter and more effective ways.
- The main goal of EDRISE GLOBAL SOLUTIONS is to **make technology work for businesses**.
- EDRISE GLOBAL SOLUTIONS offers a wide range of services, **including IT support, cloud solutions, cybersecurity, and business consulting.**
